School Captains Report

Welcome back to another busy term. We started the week with NAIDOC Celebrations. Over the holidays was NAIDOC Week. We had some very special guests attend our school on Wednesday 14th July to help us celebrate NAIDOC week. Mr Eddie Savage, Mr Kelvin Lampton, Mr Jim Gaston and Mrs Joan O'Loughlin were all very keen to show us the Aboriginal and Torres Strait Island ways. All the students took part in the cooking, making of damper and cooking in the camp oven, and cooking potatoes in the ground. Art work and painting was also a big hit. The students got to paint boomerangs, didgeridoos and make some posters and the dream time STORIES. To finish off the day the students watched a DVD on Water Ways Conservations and Turtle Hunting.

We have Catholic Education week coming up in week three. The students and staff are busily putting together a display of our work which you will find in Cornetts shopping centre from Monday 26th to Friday 30th July.

Emily Mc Intyre
School Captain

Sports Captains Report

This term we have our annual athletic carnival for St John Bosco School and then on Friday the 30th July we have our interschool athletic carnival. The students have been practising each day in preparation for these events. On Tuesday 20th July the year 4 - 7 students completed their 100m, 200m & 800m races at the High School. It was great to see the parents there to support their children. Congratulations to all the place winners. If you wish to see more of our athletic talent please come along to the St John Bosco School oval on Friday the 23rd July and show your support.

Emma Widt & Coen Hobson

What's been happening at St John's in 2010

NAIDOC CELEBRATIONS

Our special Guest – Jim Gaston, Joan O'Loughlin and granddaughter Regan, Eddie Savage, Kelvin Lampton and indigenous students at St John Bosco School

Kelvin helping Selina do some painting

Latria telling Eddie a story about her painting

Tom tasting his freshly cooked damper

Lochlan playing the sticks and Owen playing the didgeridoo

Delta and Minn enjoying their damper

Bradley and Taryn making their damper

Toby helping Eddie get the hole ready for the camp oven

Eddie showing the children what they use the turtle shell for when cooking their food

Year seven students painting their boomerangs

Eddie and some boys washing their potatoes

Luke getting his potato ready to be cooked in the camp fire

The St John Bosco School would like to thank our special guests for all their time and effort for coming and sharing all their knowledge and stories with us. We all had a wonderful day full of exciting things.
